

Beverly Police – Noise Ordinance Checkpoint

Ride & Drive Community – Friendly Partnership

The Beverly Police Department has coordinated with Salem, Danvers and Peabody Police departments in a combined effort to enforce noise in our communities created by motor vehicles.

This combined effort is designed to preserve basic quality of life issues that residents of all cities and towns should enjoy.

This checkpoint is designed as an educational tool for the motoring public in an effort to reinforce the need to keep our streets quiet and safe for all to enjoy. Over the next several weeks these departments will combine efforts in each community to see that standards are being met and that residents are able to enjoy peace and tranquility in their homes.

The following is a list of dates and times for the event. This is for interested parties who would like to have their motor vehicles, motorcycles or car stereos checked for decibel levels and compliance under federal, state, and local ordinance restrictions.

Salem High School	July 25, 2009	10:00 AM - 2:00 PM
Beverly – 1 Water St. (Former McDonalds)	August 8, 2009	10:00AM - 2:00 PM
Danvers/Peabody	TBA
